## **PAST EVENTS**

I guess it would be best to say that we have finally submitted all available photos to our Webmaster Mark Rowan, with [www.hackworthrepro.com](http://www.hackworthrepro.com) . Mark kindly has posted them all with a brief caption. On Sunday June 13<sup>th</sup> Lankford, Linda, and Rick attended the Kiwanis Club of Franklin's 50<sup>th</sup> anniversary program. At our July 7<sup>th</sup> meeting, Churchland and Great Bridge inter-clubbed with us. We were presented with a check, from the GB club, proportional to hours worked at the homearama in May. Heart of Compassion provided our program [www.heartofcompassion.org](http://www.heartofcompassion.org) . The following Wed- July 14, we worked our Serve the City project in South Norfolk. The afternoon of Sunday July 18 was filled with Peter's last Division Council Meeting and fishing day preparation. Many thanks to Wesley Brown for providing his time, hours, and home for this event. The Fishing Clinic was the 3<sup>rd</sup> Tuesday of July like usual. It was a great day. Paul, Liz, Jodie, Linda, Rick, and Lankford put in many hours. Lankford and Linda were part of the planning and organizing team. Thanks to both of you for your EXTRA work. Rick donated the use of Jeannine's van for the activity.

## **CHRISTOPHER GOWER MEMORIAL FUNDRAISER- Sat Aug 7**

Berkley Gibbs will be selecting the menu, arranging the details. and assigning responsibilities once Charlie returns from the Gideon International Conference. Jodie, through Arvon Staffing, will be collecting School Supplies to be donated to Hope Haven Children's Home. Paper, binders, glue, crayons, rulers, scissors, backpacks, etc are all welcome. Simply bring your donations to future gatherings and meetings. Phone 499-9900 or see Jodie for details.

## **CAPITAL DISTRICT CONVENTION (DECON) Aug 20-22 [www.capitaldistrictkiwanis.org](http://www.capitaldistrictkiwanis.org)**

Our 92<sup>nd</sup> annual convention is just around the corner. The location is in Lynchburg, only a few hours' drive away. With the bulk of the activated being on Saturday, one can avoid the lodging expense and possibly get by with just paying the \$35 registration. Ride sharing and site registration is also available but will be too late to attend the Fellowship Luncheon on Saturday without pre-registration. Fred W., Rick, and Liz will be our delegates. This was voted on today, 7/21. Alternates have also been selected.

Future meeting dates: Aug 4, Aug 18, Sep 1, & Sep 15.

Starting Oct 6<sup>th</sup> we will resume meeting weekly.
